<p>i-Ready is an online program for reading and mathematics that will help your child's teacher(s) determine your child's needs, personalize their learning, and monitor progress throughout the school year. i-Ready's diagnostic test will be given three times a year to determine your child's strengths and weaknesses. i-Ready consists of two parts: Diagnostic and Instruction.</p> <p>NC Check-Ins and 2.0 The NC Check-Ins and NC Check-Ins 2.0 are formative interims developed by the North Carolina Department of Public Instruction's Annual Testing Program and are aligned to North Carolina grade-level content standards. The main purpose of the interims is to provide students, teachers, and parents or guardians with immediate in-depth data and a reliable estimate of students' current performance on selected subsets of content standards. The end-of-grade (EOG) and end-of-course (EOC) tests share a common question bank with the NC Check-Ins and NC Check-Ins 2.0, which then exposes students to similar question types and rigor found on the EOGs and EOCs.</p> <p>mCLASS is a universal screener that measures the development of reading skills of all students used in grades K-3.</p>
