College Now (Career and College Promise) General Information

Career and College Promise legislation provides qualified North Carolina high school students with the opportunity to dually enroll in community college courses tuition-free. College Now, previously called Gaston College's Career and College Promise (CCP) program, consists of very prescriptive, focused pathways that lead to a certificate, diploma, degree, or state/industry-recognized credential, as well as entry-level job skills.

Gaston College provides qualifying students with the opportunity to enroll in the following pathways:

- College Transfer Pathways
- Career and Technical Education Pathways

Current High School Junior & Senior Entrance Requirements for the College Transfer Pathways and the Career and Technical Education Pathways include:

1. Must be a junior or senior
AND
2. Must have an unweighted GPA of 2.8 or higher on high school course work OR demonstrate college readiness through approved assessment tests
AND
3. Must meet all pre-requisites for the courses they choose.

Current High School Freshman or Sophomore Entrance Requirements for the College Transfer Pathways only (students cannot enroll in CTE pathways), include:

- 1a. Must be identified as academically or intellectually gifted in English, reading, and math as outlined in the local board of education's Academically & Intellectually Gifted (AIG) local plan
OR
- 1b. Must be identified as academically or intellectually gifted in English, reading, and math on an aptitude AND achievement test as evidenced by a score in the range of 92nd to 99th percentile on an aptitude and achievement test included in the Mental Measurements Yearbooks published by Buros Institute of Mental Measurements;
AND
2. Must demonstrate college readiness in English, reading, AND mathematics on a diagnostic assessment test approved by the State Board of Community Colleges identified in attachment A of the Career & College Promise Operating Procedures
AND
3. Must have the maturity to justify admission to the Community College, as demonstrated by obtaining ALL of the following:
 - A. A recommendation from Principal or equivalent school administrator
 - B. A recommendation from Academically Gifted Coordinator
 - C. An approval to enroll by the community college president or designee

Freshmen and Sophomores must meet (1a) or (1b) as well as (2) and (3) to qualify for the Career & College Promise, College Now, program at Gaston College.

Application Requirements for the College Transfer Pathways and the Career Technical Pathways include:

1. Completed Online College Application
2. High School Transcript
3. Completed College Now Student Participation Agreement
4. Completed College Now Registration Request Form
5. Participation in College Now New Student Orientation

NOTE: To remain in the College Now (Career & College Promise) program all students, regardless of high school grade level, must be progressing toward high school graduation while maintaining a 2.0 college GPA after completing one (1) or more CCP courses.

College Transfer Pathway Eligibility Infographic

Pathway Completion Requirement

Students who enroll in the last class(es) needed to complete a pathway are allowed to also enroll in additional parent diploma or associate degree classes that were previously considered out of pathway. In the event that a student drops or withdraws from any class(es) needed to complete their College Now pathway, the student will only be allowed to enroll in the class(es) needed to complete their pathway in the next term.

Multiple CCP Pathways

With the approval of the high school principal or his/her designee and the College's Vice President of Educational Partnerships, a student may enroll in:

- One College Transfer Pathway; **OR**
- One College Transfer Pathway and one Career Technical Education Pathway; **OR**
- Two Career Technical Education Pathways.

Change of Pathway Requirements

A student may change his/her pathway major with approval of the high school principal or his/her designee and the College's Vice President of Educational Partnerships. The College's Vice President of Educational Partnerships shall approve a change in pathway based on verification provided by the student that the program change allows the student to meet his/her newly chosen career path. Verification could include (but is not limited to):

- A bachelor degree plan published by the university (transfer pathway changes only)
- A career pathway plan
- Career information published in the Occupational Outlook Handbook
- Information published in the North Carolina Career-Cluster Guide, etc.

- To be eligible for enrollment in a College Transfer Pathway, students must demonstrate college readiness in English, reading, and mathematics on an approved test or tests.
- Eligibility may be demonstrated by achieving the required scores on a single test or by combining test scores from any of the approved assessments.
- For example, a student may combine a 22 on ACT math with a 480 on SAT composite score for evidenced based reading and writing to demonstrate college readiness.

College Transfer Pathway Sequences

College Transfer Pathways lead to a minimum of 32-43 semester hours of college transfer credit toward an Associate in Arts or Associate in Science transfer degree. The courses within each pathway are selected based on their transferability to any college or university within the UNC System. **Additionally, these courses will receive the same weighted credit as Advanced Placement (AP) courses.**

- All college transfer pathways must have a 2.8+ **unweighted** GPA **OR** college readiness on approved assessment.
- Semester Hours of Credit (**SHC**) is listed for each course in the pathway.
- A pre-requisite is a course that must be taken before another course. Pre-requisite(s) are listed next to course title(s).
- A co-requisite is a course that must be taken at the same time as another course. Co-requisite(s) are listed next to course title(s).

For the purpose of calculating student high school Grade Point Averages, courses are weighted in accordance with SBE policy GCS-L004.

Career and Technical Education Pathway Sequences

Career and Technical Education Pathways lead to a certificate, diploma, or degree.

- **(T)** Denotes the course is listed on the North Carolina Comprehensive Articulation Agreement (CAA) between North Carolina Community Colleges and the UNC University System. **(T*)** Denotes the course is listed within the CAA as a UGETC course. Any course on the CAA **(T/T*)** will receive the same weighted credit as Advanced Placement (AP) courses.
- If a Universal General Education Transfer Component (UGETC) course is listed within a CTE pathway, a student must have an unweighted high school GPA of 2.8 or higher, OR he/she must demonstrate college readiness in English, reading, and mathematics on approved assessment(s).
- Students without an unweighted high school GPA of 2.8 or higher are eligible for certain CTE pathways with principal GPA waiver.
 - Principal GPA waivers **are not accepted** for any CTE pathway with UGETC courses.
 - CTE Pathways with UGETC course(s) have **yellow** headers and are not eligible for a principal waiver.
- Semester Hours of Credit (SHC) are listed for each course in the pathway.
- A pre-requisite is a course that must be taken before another course. Pre-requisite(s) are listed next to course title(s).
- A co-requisite is a course that must be taken at the same time as another course. Co-requisite(s) are listed next to course title(s).

For the purpose of calculating student high school Grade Point Average (GPA), courses are weighted in accordance with SBE policy GCS-L004.

Gaston College Student Policies

Dropping a Course

Dropping a course is different than withdrawing from a course. Dropping a course means a student may be entitled to a 100 percent refund if a student officially ***drops a course prior to the first official day of the semester***. Students may be eligible to receive a 75 percent refund only if a class is dropped prior to or on the 10 percent point of the semester.

- During fall and spring, the 10 percent date is within the first 7-10 days. During summer, the 10 percent date is within the first 3-6 days. See the Gaston College Calendar, or check with the Office of Records and Registration for the exact 10 percent date.

CCP Student Withdrawal Process

CCP students who wish to withdraw from a course must contact their high school counselor. The high school counselor notifies the Office of Educational Partnerships in writing that the student wishes to withdraw. Withdrawals must be made by the 70 percent date of the course. A withdrawal letter grade of "WA" is assigned to a student who has attended at least one class session before the withdrawal is processed. "NS" is assigned to a student who has never attended a class session. Although the "WA" and "NS" grades appear on the student's academic transcript, these will not negatively affect the student's cumulative grade point average. In addition, students who do not attend classes will receive a grade of "F" unless an official withdrawal form has been completed. After the deadline date, withdrawals are granted for medical or administrative reasons only. These special circumstances require documentation and the approval of the instructor, division dean, and registrar.

Students are ultimately responsible for withdrawing from a course(s).

Instructor Withdrawal Process

Instructors may choose to withdraw a student from class for non-attendance/non-participation but they are not required to do so. Instructors must enter a "WI" grade through Self-Service within 21 days of the last date of attendance not exceeding the 70% point of the semester. Students are ultimately responsible for withdrawing from a course(s).

WI Grade

A “WI” will appear on the student’s transcript if he/she is withdrawn by the instructor when the Participation Policy is broken. WI grades count toward hours attempted but do not negatively affect the student’s grade point average.

WA Grade

A “WA” will appear on the student’s transcript if he/she chooses to withdraw from a course(s) within the first eleven weeks of the semester and has previously attended one or more class meetings. WA grades count toward hours attempted but do not negatively affect the student’s grade point average. A student who wishes to withdraw from a course(s) must follow the official procedure.

FERPA

The Family Educational Rights and Privacy Act (FERPA) of 1974 ensures the privacy rights of students, and Gaston College complies with the provisions of FERPA. These federal and state requirements relate to accessibility and confidentiality of student records. FERPA applies once the Gaston College application for admission is completed, regardless of whether the student is 18 years old. Unless the student signs a consent form granting approval, no information may be released related to his/her record to anyone other than the student. FERPA Student Consent Forms are available in the Office of Records and Registration (in Student Affairs). If a parent claims the student as a dependent and provides the most recent year’s federal tax return noting this, any information can be released. The tax return must be submitted to Student Affairs located on the second floor of the Myers Center on the Dallas Campus of Gaston College. Any questions may be directed to the Director of Records and Registration at 704.922.6202.

FOR BUSINESS AND INDUSTRY

Opportunities for No-Cost Training and Future Employment

Youth Apprenticeship 321 is a training program that allows high school juniors and seniors to take college-level classes and intern during the summer with an advanced manufacturing or paramedic medicine company before they graduate high school.

Successful pre-apprentices benefit in several ways:

- Earn college credit while still in high school
- Explore potential career pathways in advanced manufacturing and paramedic medicine
- Obtain a pre-apprenticeship credential from the NC Community College System
- Become a candidate for available apprenticeships in Gaston and Lincoln counties

Next steps:

- Students should meet with their high school guidance counselor to enroll in College Now classes .
- Email apprenticeships@gaston.edu for a pre-apprenticeship program application.

For more information about the Apprenticeship 321 program, visit gaston.edu/apprenticeship-321/ or contact Jill Hendrix, Director of Apprenticeship 321, at 704.922.6521 or apprenticeships@gaston.edu.
