April 16, 2024 Finance Committee Meeting

The Finance Committee met on Tuesday, April 16, 2024 at 12:30 pm via Zoom. In attendance were Claire Wilson, Jennifer Killen, Holly White, LeBarbara Southern, Scott McRainey, Michael Satterfield

- 3/31//24 Budget Reports
    - Claire presented budget reports for the month ended March 31, 2024.

- Furniture request
    - Need smaller desks for the 2nd grade mobile unit classrooms. The current desks will be sent to the middle school for 5th and 8th grade classroom. The chairs currently being used in 2nd grade will not need to be replaced, but we will need to purchase chairs to go with the desks being sent to the middle school. Claire presented quotes for both desks and chairs. The Committee agreed and the quotes will be presented for approval at the April Board meeting.

- School Safety Grant – applied for $805k and received $101k. Will use those funds for a fire alarm system in the House at the elementary campus, for protective coating on the windows at the Patriot Pad and middle school campus entrance. Would like to use remaining funds to replace windows at the middle school with windows that will open, but will need to use fund balance to complete the project. The quote we have is in excess of the remaining grant funds. This will also be presented for approval at the April Board meeting.

Our next meeting will be held on Tuesday, May 14, 2024 at 12:30 pm via Zoom.
