Governance Committee Meeting

April 13, 2026 / 11:00 AM

Attendees: Jennifer Killen, Melia Mauldin, Kim Richardson, and Paul Tharp

Agenda

The Piedmont Community Charter School Governance Committee met at 11 am on April 13, 2026 via Zoom.

The amended charter has been completed and accepted, and the exclusion policy has been added to the charter.

We now need to add the exclusion policy to the PCCS Policy Manual.

It is added to the Series 300.

Other than the addition of the exclusion policy to the manual, certain grammatical, spacing, and word spelling edits were made to the manual. None of these affected the meaning or substance of any matters contained in the manual.

The exclusion addition to the manual will be read at the April and May 2026 board meetings. A vote on adding the exclusion policy to the manual will follow the May 2026 reading.
