

Enrichment Committee Meeting - 1/10/19

Attendance: Franklin, Poole, Cauble, Swift, Purdee, Richards, Wyatt

Lisa Largent wasn't able to attend due to a sick child.

Refocus on what are the priorities for the remainder of the school year and what are the things we need to focus on going forward to next school year.

Growth Mindset - Jennifer would like to implement that in the correct way. Teach our students a growth mindset. This is the next step we need to go to, professional development-wise. JP will post videos for staff to watch. Growth Mindset by

Currently - in the midst of AdvancED preparations and Performance Framework.

435 applications in a week for next school year - April 11th is the lottery.
First parent meeting was Tuesday.

Survey from last time - no more feedback from the parent or teacher working conditions survey. Highlights were hit at staff meetings.

New math standards for elementary and middle school are being implemented this year. There will not be test results for EOG math until next fall. ELA standards are new this year too, but the new Reading EOG test will be next year.

Do away with MAP in the middle school - doesn't correlate with what they are teaching. At the elementary, MAP is still used for data points for MTSS. Discussion of RTI stored and Janna Sells. Do we need to bring it before the board for a vote? Discussion of NC Check Ins and the value of the report.

Greg Sinderson has given us the approval to do what we need to do.

Administration is looking into online sub programs for next school year. Transition to the state health plan. Claire is working on the bond loans.

AdvancED visit - March 6th and 7th

Mark drew a wonderful continuous growth model

Looking forward - what can we do to minimize the dip in 2020-2021 when more students are added to PCCS.

Next meeting: March 14th (Sheila Richards will not be present due to 5th grade CK night)
